

GO THE DISTANCE

FS422 PLUS FD622 PLUS FT522 PLUS

Firestone

www.firestone.eu

You've got a full load behind you, unpredictable conditions ahead and a deadline to meet at the other end... Which is why you need versatile tyres you can trust to go the distance in the rough and ready world of regional transportation. Firestone's FS422 PLUS steer, FD622 PLUS drive and FT522 PLUS trailer tyres combine the performance, mileage, durability and value for money you need to keep on delivering, time and time again.

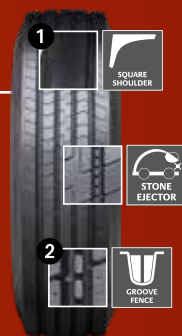

FS422 PLUS

GO THE EXTRA MILES

- 1 Improved **rolling resistance*** and up to 10% greater **mileage*** thanks to the latest compound technologies.
- 2 The Equalizer Rib Design in combination with the multiple sipes provides high resistance to **irregular wear** as well as excellent wet and dry handling.
- 3 Extend the **life of your tyres** even further with robust, retreadable casings.
- 4 Enjoy a smooth, **comfortable** and **quiet** ride with noise-dampening **Groove Fences** and **Variable Pitch Sipes**.

* Compared to its predecessor, the Firestone FS422.

FD622 PLUS

DRIVE YOUR BUSINESS FURTHER

- 1 Profit from a low total cost per kilometre thanks to the tyre's **excellent mileage** potential.
- 2 Get the grip you need for **excellent wet-weather handling** with a unique unidirectional pattern.
- 3 Extend the **life of your tyres** thanks to a sturdy construction and highly retreadable casings.

FT522 PLUS

CARRY THE LOAD

- 1 Profit from **longer tyre life**** thanks to a durable construction and **good resistance** to irregular wear.
- 2 Go even further with excellent retreading and regrooving capabilities.
- 3 Rely on solid, consistent handling, even in the wet.

** Compared to its predecessor, the Firestone FT522.

PRODUCT TECHNOLOGIES

The Firestone PLUS truck tyres are built with a slim bead which significantly reduces the weight of the tyre for low fuel consumption and efficient performance.

EXTEND THE LIFE OF YOUR TYRES

Your tyres are a significant investment. **Bandag**, the retreading solution of Bridgestone/Firestone, helps you maximise your return and minimise your cost per km. Get the most out of your Firestone tyres. **Welcome to Total Tyre Life!**

The new FS422 PLUS, FD622 PLUS and FT522 PLUS tyres come with M+S markings, signifying tread patterns, tread compounds and/or structure designed to enhance grip and braking performance in mud and fresh or melting snow, as defined under regulation ECE54. The FS422 PLUS, FD622 PLUS and FT522 PLUS tyres bear Alpine markings, meaning they have passed a snow acceleration test in winter conditions as defined under UNECE Regulation 117.02 and UNECE 109, making them suitable for use on snow and ice-covered roads. * Please refer to www.firestone.eu for final tyre information.
